EVOLVE

E.V.O.L.V.E. TO ACCELERATE

Traditional Approach

- Apply for jobs
- Hope for opportunities to find you
- Pursue money or let money lead your job search process
- Let your company drive your career growth, employee experience, etc.

E.V.O.L.V.E. Approach

- Get clarity so you can be intentional about the roles you pursue
- Network to position yourself for roles on job boards and the secret job market
- Negotiate your value
- Advocate for continuous growth to achieve your career aspirations

Final Seeds

- Clarity is not static. It evolves as you evolve
- Clarity will help understand your expectations, increase your intentionality, and help you be more accountable for the moves and experiences you have
- It starts with clarity!

Clarity Commitment

- What 3 things will you do in the next month to gain more clarity for your career?

1.

2.

3.
